Hi Greg,
The lat & long for the center of the site is lat = 43.484666, long = -103.997117.

I also have this map which shows the Dewey-Burdock site relative to Tribal Lands.

Thanks!

Valois

Is there a map of the project site available, or lats and longs? I would just like to know where it is in proximity to tribal land out there.
